If puppy is shipped to buyer, an additional cost of approximately \$290.00 will apply also due 10 days prior to shipping. Shipping arrangements will be decided following deposit and confirmed when balance is paid. For the safety and well being of your pup, seller has the right to delay shipment of pup during extreme temperatures. Shipping expenses are the sole responsibility of the buyer. Puppies not picked up or shipped, at buyers request, within 5 days of the 8 week point will be subject to a \$30.00 per day kenneling fee.

The Seller is not liable for any accident or injury to the pup after being picked up at their home or released to the airline carrier. Should illness or death occur within 72 hours, buyer must contact the seller immediately. Buyer will provide veterinary statement to seller stating the cause of illness or death to be examined by the seller's veterinarian. Should claim be justifiable by both veterinarians, the seller will provide a replacement puppy if available or refund purchase price of puppy. The shipping expenses are NOT refundable.
